

# KLEC Presents CDP Certificates

STAFF REPORT | KLEC

The Kentucky Law Enforcement Council's Career Development Program is a voluntary program that awards specialty certificates based on an individual's education, training and experience as a peace officer or telecommunicator. There are a total of 17 professional certificates; 12 for law enforcement that emphasize the career paths of patrol, investigations, traffic and management; and five certificates for telecommunications. The variety of certificates allows a person to individualize his or her course of study, just as someone would if pursuing a specific degree in college.

The KLEC congratulates and recognizes the following individuals for earning career development certificates. All have demonstrated a personal and professional commitment to their training, education and experience as a law enforcement officer or telecommunicator.
